Tools: Git/GitHub, VS Code, Render, Versel, Mongo Atlas

EDUCATION

Software Development (Full-Stack)
Masai School

Diploma (Information Technology)   2020 - 2023
Board OF Technical Education, Uttar Pradesh

Bachelor Of Arts (History, Sociology, English)   2020 - 2023
Dr. Rammanohar Lohia Avadh University

PROJECTS

Sarvjyoti Writes | *React, Redux, Tailwind CSS, MongoDB, Node, Express* ⭘ 🌐
* Individually designed and developed a full-stack blog application, ensuring seamless content creation and user interaction.
* Implemented secure authentication with Firebase and role-based access control to differentiate admin and user privileges.
* Developed features including post creation, editing, liking, commenting, and keyword-based search for an intuitive user experience.
* Designed a fully responsive and visually appealing UI using Tailwind CSS, optimizing for both desktop and mobile devices.

ArtifyHub | *React, Chakra UI, JSON Server* ⭘ 🌐
* Developed an E-commerce website as part of a four-member collaborative project, leading the team to successful completion.
* Implemented user authentication, pagination, add-to-cart functionality, and sorting features for an enhanced shopping experience.
* Designed a fully responsive UI using Chakra UI, ensuring seamless access across devices.

Multi-Use Hooks | *React, Published on NPM* ⭘ 🌐
* Developed a set of custom React hooks to simplify common functionalities such as data fetching and localStorage interactions.
* Enhanced application performance and accelerated development by integrating reusable and optimized hooks.
* Reduced boilerplate code and improved developer productivity in React-based projects.
